YARN OF THE MONTH IS BACK!

Hello!

We have great new fall offerings in the shop from the softest yarns to spinning and felting supplies. There are sock yarns (including a luscious alpaca blend), Berocco's new merino silk yarn, and even a merino/bamboo blend that offers unsurpassed softness, sheen and color. Of course the regular yarns have come to show the latest fall colors and choices as well.

For you spinners, we have Schacht Ladybugs and Ashford Joys coming as well as an assortment of drop spindles and spinning equipment. The drum carder is here for you to play with in the shop or rent.

Yarn of the month is back and I am excited to introduce a new concept into the shop. Each month an employee or teacher will pick the yarn of the month. In addition, they will also pick a charity. So, you benefit from 10% off the yarn of the month and we will donate a percentage to the charity.

For September I have picked the yarn of the month to be Berroco's Ultra Alpaca and the charity [CureSearch](#). CureSearch combines the National Childhood Cancer Foundation and Children's Oncology Group. They have worked really hard to bring the Conquer Childhood Cancer Act to the White House to grant funding and awareness for childhood cancer.

For October, Bonita has picked Plymouth Galway as the yarn of the month and the [American Heart Association](#) as the charity. The American Heart Association is committed to fight heart disease and stroke and raise awareness.

Peruvia will be showcased in November; Peruvia has some lovely new fall colors and new spaced dyed versions. [Frisky's Wildlife & Primate Sanctuary, Inc](#) is a local rescue place that Brace took some little birds that fell from a tree in her yard. This great rescue runs solely off of private donations.

Keep an eye on www.cloverhillyarn.com to see happenings at the shop and I hope to see you soon!
